## ABOUT UEM JAIPUR

UEM Jaipur is the leading state private university for Engineering, Management and Physiotherapy courses. University is NAAC accredited, UGC approved, AICTE approved, ISO certified and member of Association of Indian Universities, Association of commonwealth Universities UK and International Association of Universities France. Within a short span of 10 years, UEM Jaipur is now an authorized examination center for Cambridge English assessment examination, center of excellence for block chain technology by India block chain alliance, authorized academic partner for Palo alto networks for cyber security, Cisco networks for networking solutions, AWS academy for cloud based services and education by Amazon Web Services and many more. UEM Jaipur ranked 1st in Times B-School ranking for Rajasthan and this is also the topmost university in IIC ranking by Ministry of Education, Government of India. University is also a mentor institute under mentor-mentee scheme of AICTE.

UEM Jaipur is also the recipient of Most Promising Institution Certificate from ARIIA rankings by ministry of Education. UEM Jaipur has emerged as a global leader in providing outcome based education, placements to all eligible students, Support for research, Publication, Innovation and entrepreneurship, Student and faculty Exchange program with foreign universities and strong faculty base to students from all over the country.

University has been established by the IEM group, Kolkata. The IEM UEM group is an acclaimed educational group amongst the industry centered academic training organisations of today. IEM has set sublime standards in addressing the technical and managerial resources in the new dynamic era of globalisation. This group has risen to fame for its strong foundation in teaching and RED in multifaceted areas. It aims to serve the future generation as well as the Nation through its commitment towards self-sufficiency and unmatched excellence.

Since its inception, the IEM UEM group has surpassed innumerable benchmarks of achievements and accreditations. Today IEM flaunts a colossal network of expansive operations led by an awe inspiring student force who are the torchbearers of a better tomorrow.

University of Engineering & Management (UEM), Jaipur receives the most prestigious International Award “QS Awards” with overall Gold Category and with Diamond Category under “Employability of students (Placements)”, Teaching, and Learning & Facilities.

The UEM Jaipur campus at Jaipur has a 32 acre lush green area with beautiful ancient architectural building and situated at “Gurukul” 6 Kms. from Chomu on Sikar Road, National Highway 52, Jaipur 303807/(Rajasthan) India .

Professor, University of Rajasthan,  
Jaipur, Raj. India

**Conference Theme:** Reimagining English Language Education with Digital Technology.

**Concept Note:** There is growing evidence on the use and acceptance of digital technologies all over the world. Many education boards across the globe have recommended the implementation of educational digitalization in teaching. This tendency to promote educational digitalization paves way for its future development. It has made the Higher Education Institutes to adapt the design of the educational digitalization transformation strategy.

In this context, the English language education community has conformed to the general trend of educational digitalization. They have reconstructed teaching concepts, innovative teaching and research models, and promoted the high-quality development of English education. The strategic action of digital transformation of English education has made some landmark achievements.

In order to further promote the theoretical development, curriculum practice, and innovation of English education in India, the University of Engineering and Management, Jaipur will organize the 2nd International Conference on Advances in English Language Studies (ICAELS-2023) in Jaipur on November 3-4, 2023. The theme of the conference is "Reimagining English Language Education with Digital Technology." The conference will take the form of keynote speeches, symposia, individual paper presentations, and poster presentations.

It will provide a platform for researchers, educators, and policymakers to share their latest research findings and best practices in English language education. The conference will also explore the latest trends in educational digitalization and its implications for English language education.

We invite you to join us for this exciting event and contribute to the future of English language education in India.
